Please find below and/or attached an Office communication concerning this application or proceeding.

Response to Amendment

The reply filed on February 3, 2005 is not fully responsive to the prior Office Action because claim 29 does not have the proper status identifier. Since claim 29 was presented as "new" in the response of September 2, 2004, its current status identifier should be "previously presented" rather than "original". Only claims filed with the original specification can be identified as "original". See 37 CFR 1.111 and 1.121. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gregory J. Strimbu whose telephone number is 571-272-6836. The examiner can normally be reached on Monday through Friday 8:00 to 4:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Lanna Mai can be reached on 571-272-6867. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
